# CUSTOMERS AT CHECKOUT

The Store Checkout is the life of a business, and too often, people who use wheelchairs are deprived of screen accommodation and PIN entry privacy, rewards input, cashback signature, etc.. It's bad.

## CUSTOMERS BENEFIT

Installing the ADA Stand is simple and highly effective and ADA Compliant to do so. It just takes one.

# WHEELCHAIR ACCESSIBLE

ADA Reach and Range are construction measurements and not accessibility friendly.

## ADA COMPLIANCE BENEFIT

The ADA Stand addresses limited reach and strength-ADA 302.8
